

# Teamwork

## Get Started

Get 40 squares.

Put **2** **3** **4** **5** **6** in a bag.

## Repeat for Each Round

Pick a tile. Write that number in the tile space on the right.

Display that many squares in one row.

Ask your partner to: **a.** Pick another tile and fill in the first tile space.

**b.** Display your row that number of times.

times as many as

Build your array here.

How many squares do you have in all?

If you have more time

Put the tiles back in the bag.

Make a new array every time you choose two tiles.
